

THE CHILDREN OF THE LEPROSY COLONY

India

**SWEET SAVOUR
MINISTRIES**

A Christian Development Centre

THE NEW SCHOOL BUILDING IN INDIA LEPROSY COLONY

Sweet Savour Ministries India is reaching out to societies most rejected people, leprosy victims and demoralized people, especially women with the love of Christ. The Bible teaches us to go into all the world and make disciples (*Matthew 28:19-20*).

JESUS SAID IN LUKE 14:12-14 (KJV):

“WHEN THOU MAKEST A DINNER OR A SUPPER, CALL NOT THY FRIENDS, NOR THY BRETHREN, NEITHER THY KINSMEN, NOR THY RICH NEIGHBOURS; LEST THEY ALSO BID THEE AGAIN, AND A RECOMPENCE BE MADE THEE. BUT WHEN THOU MAKEST A FEAST, CALL THE POOR, THE MAIMED, THE LAME, AND THE BLIND: AND THOU SHALT BE BLESSED; FOR THEY CANNOT RECOMPENSE THEE: FOR THOU SHALT BE RECOMPENSED AT THE RESURRECTION OF THE JUST”.

In 1995 Pastor Padma Murty, our director over Sweet Saviour Ministries India, had a vision for the people in the leprosy colony. She said, "I would cry out to God, Why do you give this dream to me but I never shared my vision with any one. The burden became heavy and later when I heard about the leprosy patients I began to have tears in my eyes for them. I then prayed to my Lord that if at any time you bless me, I will serve the leprosy patients".

PSALM 3:4

**I CRIED UNTO THE LORD WITH
MY VOICE, AND HE HEARD ME
OUT OF HIS HOLY HILL.**

The first time Padma entered the leprosy colony was in 2005. It was at this time she saw in real life what she had seen in her vision. Everything she saw in the leprosy colony was exactly what she had seen in the vision The Lord gave to her in 1995. Now her concern was how she is going to help so many people. In her mind she had doubt she could help so many people in need and even asked The Lord to take this cup from her but he showed her all things are possible with God (*Matthew 19:26*).

The leprosy people struggle mightily as they lose their nerve endings and eventually their lives because of this terrible disease. Though they have hands they lose their fingers and are unable to work. They have feet but lose their toes and also eyesight, nose, as well as other areas, are in great pain.

The people in India are fearful of this disease and therefore the leprosy affected people and their families

find themselves only being allowed to beg for their daily needs. They are completely ostracized from the rest of the world. Their children and families have little hope of any kind of life. Children are prevented from being children as they beg from morning to night for food and clothing for themselves and their family.

In 2006 Sweet Savour Ministry International became involved with Padma and later ordained her in the ministry to oversee the work The Lord is enabling us to do in India. We visited the colony and also felt the pain of the people who are cast aside. The Lord convicted us to be a part of giving a life of hope to the less fortunate.

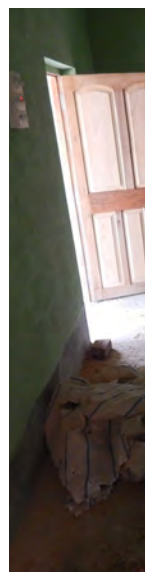

We are striving to bring life to the colony and especially to the children. Our primary goal is that they will learn about Christ and come to know the one and only true God. We are also providing food, medicine, clothing, education as well as other necessities.

Presently, we are involved in a large building project. We are erecting a school building to house hundreds of students. In this booklet you will see pictures of our school children as well as the building in progress.

The ministry in India would not be possible without the prayer and financial support of the generous giving of friends to our ministry here in the USA. We praise The Lord for each person who has given large or small to help us bring hope to a dying people with so much agony in their lives.

The vision The Lord gave to Pastor Padma for India's less fortunate is now coming to fruition. May The Lord receive all glory and honor and praise for what He is doing in India through Pastor Padma, her father, Pastor DSN Murty, their pastors, teachers and staff in the caring for the leprosy colony and the evangelizing throughout India through church planting.

Please join us in prayer for this ministry.

HABAKKUK 2:2 (KJV)

**AND THE LORD ANSWERED ME, AND SAID,
WRITE THE VISION, AND MAKE IT PLAIN UPON
TABLES, THAT HE MAY RUN THAT READETH IT.**

May God Bless You,
Pastor Larry A. Fouts

HOW YOU CAN HELP MAKE A DIFFERENCE IN THEIR LIVES ...

JOIN US IN PRAYER

Please join us in prayer as we ask for the Lord's will to be done for the suffering families of the leprosy camp.

MAKE A DONATION

It takes less than you probably think. For example a donation of only \$1 can help feed one child for one day. A donation of \$5 will buy a child a book so they can get an education. A donation of only \$8 would buy a bible for one person so they can read the Word of God. With help from people just like you we've been able to provide these children and their families meals, blankets, sandals, wheelchairs and many other necessities we take for granted. Even your small donation can impact these families in a large way. Your donation helps you be a part of loving and serving others and furthering the Gospel of Jesus Christ.
